ⁱⁱ Assassination of President Kennedy:

“After the Bay of Pigs botched invasion of Cuba in 1961, JFK took away planning from the CIA and gave it to the joint chiefs. He also fired the head of the CIA, Allen Dulles. In 1962 the joint chiefs were still obsessed with invading Cuba. They presented Kennedy with a plan called Operation Northwoods, which was signed by Lyman Lemnitzer and all of the joint chiefs, called for an invasion of Cuba based on a false pretext, some suggesting a fake plane, filled with college students, and blowing it up over international waters and blaming Cuba. The plan was presented in late 1962; Secretary of State Robert McNamara thought Lemnitzer had lost his mind, and Kennedy said no. He has already taken away operational planning from the CIA; now, he finds that the joint chiefs are simply a different set of lunatics.”
