

SURPRISE ATTACKS ARE LIES !

FALSE U.S. WAR PRETEXTS and 9/11
by Richard Ochs, Baltimore, revised 9/22/16
Historical documentation at:

In seventeen hundred and seventy-two
Slavery by England was almost through.ⁱ
The Declaration of Independence,
Against King George, had many a grievance
Listing how he misbehaves,
Like inciting rebellion among the slaves.ⁱⁱ
And now we have come to see
The revolution meant slavery.
Indeed, the Founders had slaves galore.
Independence would give them more.

Dig it! Our War of 1812
Was started by Yankees, truth to tell,
Who invaded Canada; the Brits reboundⁱⁱⁱ
And burned the White House to the ground^{iv}
"Second War of Independence"?
Not! That's a load of rot!
Patriotic propaganda, national pride
Based on a pack of lies.

To grab a piece of Mexico
So slave states could grow,
Our troops died. Their battle cry
"Remember the Alamo!"^v
The truth they did not show.
Where was Alamo?
Scheming liars, now we know.
It was in Mexico.

The U.S. stole some colonies
In 1898
By sinking Spanish ships,
Their trade to dominate.
When The U.S. battleship Maine^{vi}
Was bombed and blamed on Spain.
No proof explained, but lots to gain:
Guam and Philippines,

Puerto Rico, Cuba too
Were gobbled up right on cue.
Their independence drowned in blood.
Their workers ripped off in the mud.

The Germans tried to emulate
Our thefts of 1898.
British Empire with colonies
Was hit by Germans on high seas.
Capitalism's rivalries
Caused World War One say histories.
American people did not want war,
So bosses tricked us as before.
Warnings from the battle zone
Of German U-boats was well known.
But the Lusitania ship was sent^{vii}
Into danger with cruel intent.
With civilian passengers aboard
And hidden weapons stowed and stored,
At the time we did not see
Our broken treaty of neutrality.
Avenging deaths meant more recruits.
Two million Yankees put on their boots.

Germans failed to replicate
Our thefts of 1898.
Yankees helped the Brit's empire
Set reparations very dire,
Resulting in a Nazi coup,
Thus World War One caused World War Two.

Vietnam started with a sham
A whole generation butchered and damned.
MacNamara did repent.^{viii}
For two million lives he wrongly spent.
The Gulf of Tonkin Resolution^{ix}
Was a problem, not a solution.
Based on a lie. There was no attack
On a U.S. destroyer. That's a fact.

Ronald Reagan told some lies
In 1983
To attack Nicaragua

Without legality^x
Kuz Ollie North sold guns^{xi}
To Iran and sent the funds
To the Contra terror plan
For Sandinista land.

"Bait and switch" was the trick
To start the first Gulf war.
Google and see April Glaspie,^{xii}
The U.S. ambassador,
Who told Saddam it's OK to bomb
Kuwait to settle a score.

Google "oil Afghanistan"
That will show our invasion was planned
Before Nine Eleven, pipelines to lay^{xiii}
And a greedy reason there to stay.
Was Nine Eleven an inside job?
Stampeding war, peak oil to rob.^{xiv}
When we look for whom to blame,
Suspect the ones who hope to gain

Google for yourself and see
A New Pearl Harbor was the key^{xv}
For U.S. oil supremacy.
So says New American Century.^{xvi}
Sibyl Edmonds of the FBI^{xvii}
Said that Condoleeza lied
When asked if they knew
Hijacked plane attacks were due.

There were many people who
Gave warnings of attack.^{xviii}
Richard Clarke knew
Of plans to blame Iraq.^{xix}
As detectives often do,
Muslims were entrapped.^{xx}
Their entry visas were waived.
We know that is a fact.^{xxi}

Allowed to fly by the FBI,^{xxii}
In school they were tracked.
So says agent Coleen Rowley^{xxiii}

Who was told to shut her trap.
Allowed to plane and take the blame,
Were patsies hijacked
By remote controlled aircraft?^{xxiv}
That is technically a snap.

War games planned for that day^{xxv}
Let Cheney have his way.
Overridden brass did yield,
With interceptors far afield.
Rejecting blame for all the dead,
Condi, Bush and Cheney said:
"No one really could've known
That missile planes would've flown."
But Richard Cheney planned some drills^{xxvi}
For that day of woe
With errant aircraft scenarios,
The White House had to know.

After the towers fell,
Anthrax was in the mail.
Along with the letters sent
A phony jihad epithet.^{xxvii}
Horrified to the core,
The country moved toward war.
With Congress out, the die was cast:
The Patriot Act was passed.^{xxviii}
Detectives since found out
The anthrax used, no doubt
Was from an Army source.^{xxix}
An inside job, of course.
The FBI blamed a dead man.
His co-workers say that's a sham.^{xxx}

Like shocking the flock with a chopping block
To start the second Gulf War,
They hacked the facts to attack Iraq
And lied about why for.
They did not see WMD
Or weapons of massive gore^{xxxi}
Seven million Iraqis lost their homes for nothing!
